

Welcome to Elite School of Beauty & Spa, one of New Zealand's top Beauty Therapy and Makeup training providers. Our students are preparing for their chosen industry and value our clients loyalty.

Please be aware that:

- Students carry out supervised treatments in an open room environment
- Salon hours and times vary between campuses
- Not all treatments are available at all times
- Clients under 16 years of age need to have parent or guardian consent
- Treatments may not always run to exact times
- Sometimes treatments booked may not be suitable for clients, your therapist may recommend or offer alternate treatments.

## Consultation

All new clients are required to complete a 30-minute consultation on their first visit. This includes detailed information we are required to gather to ensure we offer the most appropriate treatment.

If there has been a six-month gap between your visits, you will need to complete a full consultation again on your return which will take 15 minutes.

These consultation times are in addition to treatment times.

A 10% discount is applied if you book and receive two or more treatments in one session.
