***Welcome. Please use this booklet as a guide to refer to during and after your programme. We hope you enjoy the next few months - if you have any problems or concerns during the programme please do not hesitate to discuss them with your Class Trainer or Management who will be more than happy to help.***

## **Our Expectations – getting you ‘work ready, world ready’**

While you are studying with us, we train and upskill you to understand what behaviour as a beauty professional looks like. We call that ‘**work ready, world ready**’. The Beauty Therapy industry needs people who are friendly, courteous, and sensitive towards others, have a positive outlook, and who enjoy interacting with others in one to one and group situations. Please respect the other students in the programme. Look after, encourage and help one another if you can. Arrive on time, give the Trainers 100% and relax and enjoy the classes.

The following professional ‘work ready, world ready’ guidelines are expected of all students and are required for the successful completion of every programme, entry into further programme enrolments, participation in industry visits etc.

### **‘Work ready, world ready’ professional guidelines applicable to all students**

- Attendance level meets required standard for the qualification (refer section on Attendance)
- Professional dress has been maintained throughout the programme (refer section on Professional Dress)
- A positive attitude and professional manner (refer note 1 below) has been displayed throughout the programme including any point when you are representing Elite School of Beauty and Spa. Examples of this are (but not limited to) industry visits, job interviews, job fairs.

**Note 1** - Positive attitude and professional manner is defined as:

- Supporting a team environment in class
- Supporting other students
- Maintaining punctuality
- Participating in a positive manner
- Maintaining a respectful relationship with all fellow students, staff and guests at all times
- Behaving in an acceptable manner on external programme related activities – educational, work experience, site visits etc.
- Behaving in line with the guidelines in this handbook
- Taking constructive feedback on board and applying it in future
- Understanding the part you play in any situation in a mature fashion

## **Academic Policies**

### **Appealing Results**

If a student wishes to query the marking of an assessment, this must be done **within ten days** of receiving back the assessment, with the Head of Training. Students may appeal assessment decisions they consider are unfair or inaccurate. In the first instance the matter should be raised with the Head of Training, who may discuss the issue with the Trainer concerned. Should this not resolve the matter, the student may then appeal to the Campus Manager, or if still concerned about the outcome, formally to the Programme & Operations Manager, 766 River Road, Hamilton 3210.

## Assessments

Assessments for all subjects vary. Some will be by written exam, others by assignments, role-plays, practical application, observations, or online. Your Trainer will explain the assessment procedures for each individual subject. Regardless of the assessment type, all are equally as important and required towards the successful completion of your qualification.

All work for assessments, both classroom and home study, must be your own work. Copying or using notes, from students or the internet is not acceptable. Management will deal with any cases of cheating/plagiarism seriously.

Paper copy of assessments will be kept on site for approx. 12 months and results will be kept indefinitely plus backed up daily. If you would like a copy you will need to request these from your class trainer.

## Assessment and Exam Procedures

- These are undertaken at the time and date given by the subject Trainer.
- They may be open or closed book, and take place in a classroom. No talking is allowed. A supervisor or Trainer will be in the room at all times.
- For open book assessments: you may have with you applicable workbooks, a pen and a calculator (if required).
- For closed book assessments: your Trainer will advise what resources are allowed.
- The supervisor will hand out blank paper if required. You may not use your own blank paper or pads.
- No red pens, pencils or Twink / white out are allowed.
- No cell phones are permitted.
- If a student is more than 10 minutes late for a formal assessment task, he/she will not be admitted into the assessment room.
- Where possible assessments will be marked immediately and resits completed on the day or Friday mornings.
- Some assessments may take up to a week for marking.
- We reserve the right to hold digital copies of any assessment for the purpose of comparison with past and future work by others to detect academic fraud.
- If any student suspects any form of cheating they are encouraged and expected to report this to a staff member.

## Cross Credits and Recognised Prior Learning

Elite School of Beauty and Spa recognises those students who have gained credits towards qualifications that our programmes lead to. Credit transfers can be obtained by producing evidence from a previous tertiary institute of credits achieved and the graduate profile outcomes/qualifications they lead to. If you believe you have completed prior learning in a particular subject that forms a part of a programme you are enrolled in and would like to be recognised for this, please see your Head of Training.

When a student receives cross credits for a subject/module they have already achieved, they have the option of either: 1. having the day/s off without being penalised for being absent, or 2. attending the class to refresh and grow their knowledge about the topic. This option is encouraged as the classroom environment offers a further stretch both in content and employability skills. If the latter option is chosen, they will not be required to complete any assessments.

**Note:** Evidence of prior learning will be required and may include a short assessment of some description to confirm knowledge and understanding,

## Literacy and Numeracy Assessment Tool

If you are enrolled in our Level 2 and Level 3 programmes you are required to complete an online assessment of your numeracy & literacy levels. These are scheduled at the beginning and end of each programme and are compulsory.

All students enrolled in Level 4+ programmes of study complete the literacy and numeracy assessment towards the end of their programme. This analysis of your literacy and numeracy levels allow us to support you throughout your study with us and we are able to track what gains have been made in these areas.

### **Disciplinary Procedures**

Disciplinary procedures will occur for inappropriate behaviour. The following is a guideline on what is considered to be unacceptable behaviour:

#### **Minor Behaviour**

E.g. Absenteeism, poor standard of dress and presentation, no-show for resits etc.

Discussions will be held with you and the Trainer concerned. Notes on this discussion will go on your file. If the behaviour continues, it could affect your participation in off site visits, assistance with employment and graduation.

#### **Concerning Behaviour**

E.g. Poor attitude, lack of participation, demonstrating a lack of respect for staff, fellow students, guests or industry partners. This includes inappropriate behaviour or language which may cause concern.

A discussion will be held, and notes will be written on your file. It could affect your participation in off site visits, assistance with employment and graduation. If it continues, a meeting with the Campus Manager will be arranged to discuss whether you want and are able to continue with the programme. If you are under the age of 18, your guardian will be informed unless exceptional circumstances apply. You will be given the opportunity to bring along a support person if you wish. Further occurrences of the concerning behaviour may result in another meeting where a final warning or expulsion may occur.

#### **Major / Expulsion Behaviour**

The following behaviours will be viewed seriously and may result in **instant expulsion and termination of enrolment** or in the circumstances where management does not consider that expulsion is appropriate, a final warning will be issued even if no other warnings have been issued previously. Regardless of the decided outcome, a meeting with the Campus Manager and Head of Training will be arranged where you will be given the opportunity to bring a support person along if you wish. In the interim, you may be stood down from campus. If expulsion is the outcome, you will be given this in writing as well as a copy of your final academic record of learning. A recommended way forward may be discussed with management depending on the situation. The behaviours listed are examples only and the list is not intended to be exhaustive:

- Wilful abuse of or damage to company property or their suppliers
- Drunkenness or being under the influence of or in the possession of, or misuse of illegal drugs
- Inappropriate or offensive sexual behaviour or sexual misconduct
- Assault or abusive behaviour towards another student, staff member or supplier
- Harassment of a staff member or another student
- Plagiarism or cheating of any description
- Theft
- Bringing the company into disrepute
- Behaviour that has the potential to damage the company's reputation
- Continued concerning behaviour (see above)

#### **Student Bullying**

Bullying is unwanted and unwarranted behaviour that another person finds offensive, intimidating or humiliating which is repeated so as to have a detrimental effect upon a person's dignity, safety, and well-being. Bullying can be physical (like hitting or kicking you), verbal (like putting you down or spreading rumours) emotional (excluding you from groups or forcing you to do things you don't want to), or online (posting nasty things about you, sending embarrassing pictures or videos of you to others). It can happen in front of everyone or when no one else is watching.

## **What can you do if you're being bullied?**

Bullying feels awful and it's important to remember it's not your fault.

- Tell the person who is bullying you to stop (if you feel that you can). Or just walk away.
- Tell your Class Trainer or Head of Training or someone you trust.
- Spend time with friends who help you feel good about yourself.
- Don't reply to any messages that make you feel sad, threatened or embarrassed. Often people who bully others are just looking for a reaction.
- Keep all messages and take photos of uncomfortable posts. Make a note of the time, date and content. This is evidence you might need if the problem gets worse.
- Use privacy functions on Apps to block or prevent receiving nasty messages
- If the bullying online or on your mobile involves physical threats, like threats to hurt or fight you, contact the police. Making threats of harm is criminal behaviour in New Zealand.

NZST/Elite/Cut Above, take bullying very seriously and it can be deemed as Major / Expulsion behaviour

## **Enrolment into future programmes**

Entry into future programmes is restricted to those students that meet the required eligibility criteria for relevant programme as detailed below:

### **All programmes**

- Must have successfully completed current programme of study
- Must meet professional guidelines as detailed at the beginning of this handbook

### **Diploma Level 5 programmes**

- Must be approved by the Campus Manager as being academically capable.
  - Be looking like there will be no issues with a student completing their level 4 qualification
  - Be work ready world ready
  - If a student is under a step 4 in both literacy and numeracy, based on the most current result, in addition to the required approval a support plan will be put in place

## **International exam options**

International exams are assessed by external examiners provided by the International Examinations Bodies. Policies and fees for International exams are governed by the individual International Examining Boards. International exams normally take place twice a year in June/July and November/December. However, examination arrangements are subject to minimum numbers and on occasion can only be offered once a year. Dates for these are only confirmed by each examining body 12 weeks prior to exams.

Due to the stringent marking procedures of the examination boards, international exam results can take up to 3 months after the exams have been sat to be released to the School by the examining board. It is your responsibility to contact Elite to find out your results.

At Elite we have a choice of two international exams (not all are available at all campuses), all of which are highly recognised throughout the Industry. Your Class Trainer and Head of Training are available to guide you as to the most appropriate personal choice for you.

All international exam fees must be paid in full on registration for each examination module and are not refundable once registration has taken place.

## **CIBTAC**

Confederation of International Beauty Therapy and Cosmetology. This is a UK based qualification and an Examiner from CIBTAC observes and assesses your practical exam and invigilates all theory papers.

The pass mark for CIBTAC is set at 60% and all results are forwarded to the School within 12 weeks of the exam. Achievements of Pass, Merit or Honors can be gained through theory and practical exams. CIBTAC exams are designed for individual therapists to enhance their careers by gaining extra qualifications within Beauty Therapy.

Costs for these exams are not included in your fees and the amounts may differ according to the currency rate at the time of payment. Please note that CIBTAC exams require minimum enrolment numbers to proceed.

### **CIDESCO**

Comite International D'esthetiques et de Cosmetology; Swiss based. CIDESCO is considered the oldest examination board. A CIDESCO examiner will observe and assess all practical and theory examinations alongside an Elite examiner.

The practical exam consists of Beautician and Body components together in one day; CIDESCO theory exam is taken on a separate day. Results will be given immediately following marking. CIDESCO pass mark is set at 70%. A project with case studies on a subject of your choice is required and these results will go towards your final marks. An additional requirement of 600 hours is to be completed in the Industry to enable all candidates to obtain a full CIDESCO Diploma. CIDESCO has additional Diplomas in Electrolysis, Aromatherapy, and some Holistic Therapies. These can be achieved with further training to extend your CIDESCO qualification.

Costs for these exams are not included in your fees and the amounts may differ according to the currency rate at the time of payment. Please note that CIDESCO exams require minimum enrolment numbers to proceed.

### **International Student Visa**

If you are an international student it is your responsibility for checking that you have an up-to-date and correct visa at all times. We can help you to renew your visa but you must let us know at least three weeks before your old visa expires.

### **Re – Assessment (Resits)**

If you don't pass the assessment and wish to be re-assessed, it is only necessary to resit the question that relates to the Learning Outcome of the module that was not achieved. All Learning Outcomes must be achieved as they link with the Graduate Profile for the qualification. It may not be necessary to resit the whole assessment again. The only exception to this is some practical or online assessments. Resits occur on either a scheduled day or as necessary. Appropriate notice will be given to students.

A resit time will be held each week and every student is expected to attend if they have any resits to complete. It is your responsibility to keep up to date with your resits. You will need to bring any workbooks and material (e.g. pens) required to complete your resit papers. If you have resits scheduled and do not attend, you will be marked absent.

Our resources are updated regularly therefore any resits should be completed within three months from the last day of the programme. If an assessment has not been marked as competent within 3 months of the programme ending, the entire module will need to be repeated in order to gain the credits.

### **Results notice / Academic record of learning**

Throughout the programme you will be given an updated Results Notice/Academic Record notifying you of your results. Please check this thoroughly and advise your class Trainer of any problems.

## Self-directed learning hours

As a part of each programme, students are required to complete a set amount of self-directed learning hours in addition to what they do with trainers, face to face in class. It forms part of the approved programme and therefore supports your learning and ability to successfully complete your qualification.

Each programme has an expected plan for students to follow for a set amount of hours depending on their programme of study as follows:

- Makeup Artistry and Skincare Level 3 – 6 hours
- Beauty and Body Essentials Level 4 - 10 hours
- Professional Face, Body and Spa Therapies Level 5 – 10 hours

The types of activities included in the plan are:

- Activities set each week by your Trainer to enhance learning and prepare you for your assessment
- Increasing literacy and numeracy skills, including reading
- Study time for closed book assessments and homework
- Additional activities focussed on “Work Ready, World Ready” such as getting ready for employment
- Practical skill application
- Building industry related knowledge

Your class trainer will give you instructions and expectations on what is included for your programme. Your Trainer will touch base with you each day/week to track your SDL progress. Students will be expected to commit to completing the additional work and to self-manage their time to achieve the requirements. Class trainers will touch base throughout the programme and monitor progress.

## Choosing to withdraw from your programme of study – DOMESTIC STUDENTS

If for any reason you feel that you need to withdraw from your programme of study a discussion with your Class Trainer and the Head of Training is recommended. Notice in writing is required if you decide to withdraw. The cancellation fees are as follows:

- From enrolment and up to seven days after the first day of the programme – 10% or \$500.00 whichever is the lesser amount.
- After eight days – students will pay the full programme fee and no refund is given.

If the student withdraws from one programme and transfers to another programme at either the same or an alternative campus an Administration Fee of up to \$250.00 may be charged. Students can request a final academic record of learning if they wish.

## Choosing to withdraw from your programme of study – INTERNATIONAL STUDENTS

Once confirmed on your programme if you wish to withdraw you must put this in writing and either post it in or hand it in to the office. Please note being withdrawn from a programme would impact your academic record and may impact future enrolment and the ability to continue future study in New Zealand. Students can request a final academic record of learning if they wish.

The cancellation fees are as follows:

- **After enrolment but before the official start date:**  
8% of programme fees deducted for a programme 36 weeks or longer  
20% of programme fees deducted for a programme less than 36 weeks
- **After programme start date, but up to or including the 10th working day:**  
10% of programme fees deducted for a programme 36 weeks or longer  
25% of programme fees deducted for a programme less than 36 weeks
- **After the 10th day of programme:**  
No refund applicable, full programme fees retained by the campus.

- Please note that there may also be Insurance and Corporate Dress costs if these have already been paid to the companies at time of withdraw.
- If you leave or are withdrawn from a course after the cancellation period you will be liable for any outstanding fees
- Immigration New Zealand will be notified if study is terminated

## Accepting a Job in the Industry

If you have not completed your programme because of obtaining an industry position the following options (subject to availability) are available to you at no additional charge.

- Join another class
- Workplace assessment

## Administration/Office Hours

Office hours are 8.00am – 5.00pm. The administration team are there to assist with any queries you may and are also available for all programme related issues including Studylink payments.

Administration staff can be extremely busy at certain times of the year so an appointment to see the appropriate person may be necessary.

## Administration costs sheet

<b>Photocopying</b>	20¢ per page (black and white) 40¢ per page (colour)
<b>Binding</b>	\$3.00 per booklet (Including the binding, plastic front and back page)
<b>Printing</b>	20¢ per page (black and white) 40¢ per page (colour) printed

Stamps, envelopes or stationery are not available for students to buy.

## Attendance

Our attendance policy is all about ensuring you have completed the required amount of face to face learning so that you can gain your qualification authentically. It's also about getting you "WORK READY" for employment. We expect students to have strong attendance. If you use your Campus Manager as a referee your attendance will be disclosed to your potential employer.

If you are unable to attend class or if you are going to be late, you are required to advise the Campus before 9.00am by phone. A text message to a friend is not acceptable. Please note that this is standard business practice and we are trying to get you 'work ready' for employment. Lateness is recorded in 'quarter days' and applied to any student that arrives after the class has started at the beginning of the day as well as after each break (morning tea, lunch and afternoon tea).

## Appointments

Appointments should be made outside of **class time**. Arriving late or leaving early will see you marked absent for that quarter day. It is your responsibility to catch up on any missed learning.

## Class Times

Class times may vary depending on the qualification being completed at the time. Below is the general guide for each qualification type with a morning, afternoon and lunch break applied. Students are required to attend class between these hours to ensure the attendance policy is adhered to (see attendance policy). Please note: on occasion, classes may be required to start earlier at 8.30am however students will be given notice of this prior to the day. The class times detailed below do not apply when students are away on study tours – in this instance, it is up to the escorting staff member to decide on appropriate contact hours.

**All, 3 & 4 Programmes:** Classes start each day at 9.00am and finish anytime between 4.00pm – 5.00pm Monday to Thursday with a 1 hour lunch-break and 9.00am – 1pm Friday. All sessions are compulsory. Trainers are available before or after class for additional assistance, tutorials etc.

**Level 5 Diploma Programmes:** Classes start each day at 9.00am and finish anytime between 4.00pm – 5.00pm Monday to Thursday with a 1 hour lunch-break. For the first 12 weeks of the programme students are required to attend 9.00am – 1pm Friday. All sessions are compulsory. Trainers are available before or after class for additional assistance, tutorials etc.

### Attendance requirements to gain your certificate

If you wish to gain the Certificates issued by Elite School of Beauty and Spa, you must have completed the required amount of face to face learning and therefore meet the attendance requirement. The maximum number of days you can be absent, depends on the programme you are currently enrolled in (outlined in table below). Absent days are accrued if you are absent for any reason (including medical, funeral, tangi etc.) or if you are late to class in the morning/after any break (each late occurrence counts as ¼ day).

Programme	Absent days allowed:
Makeup artistry and skincare L3 (18 weeks)	4
Beauty and body essentials L4 (20 weeks after L3)	5
Beauty and body essentials L4 (32 weeks without L3)	8
Professional face, body and spa L5 (24 weeks after L4)	6

### Note:

If you are enrolled in more than one programme (e.g. Beauty and Body Essentials Level 4 plus Professional Face Body and Spa Therapies Level 5), you will not be able to 'carry forward' or 'borrow' days between programmes.

Please note that medical certificates and any form of explanation note will not gain exemption from being marked absent because you would have missed out on the learning. Remember the purpose of this policy is to ensure you have authentically gained the qualification. A medical certificate however or evidence of attending a funeral/tangi (such as a service sheet) will be placed on file and then can be used when talking with a prospective employer to explain any absences that you have had. This policy is in line with getting you 'work ready, world ready' and that is why we have a set amount of days that we would class as 'acceptable'.

Absenteeism/attendance is monitored closely and students are expected to keep up to date with how many days off they have had in relation to what is 'allowed' (as shown previously). This can be done at any time by asking your Class Trainer. In time, you will have access to this information through the computer system.

Remember: the purpose of this policy is to ensure that qualifications are gained authentically in regards to the amount of face to face facilitation you have received for the programme you are enrolled in, as well as ensuring students are 'work ready, world ready' when they are released to employment in the industry. When students exceed the 'allowed days', we begin to manage the situation through the withdrawal process which is outlined in the next sub-section. In exceptional circumstances, the Campus Manager may make exceptions to the rule and will therefore form a plan of action to ensure students are still able to gain their New Zealand qualification authentically. If you are a student that has been deemed as an 'exceptional circumstance', this may involve being moved to another intake, so that you can catch up on any learning you may have missed. Where a student is either not meeting course requirements through low attendance or not being on track with their credit achievements, student's finances may be suspended.

### Being withdrawn from programme of study due to attendance issues

If the Campus Management team has concerns about your absenteeism/lack of attendance, the following policies will apply:

### **Withdrawal policy for consecutive absenteeism (including lateness)**

If you have not attended class for a period of one learning week without advising us, we will write and/or email to inform you of the date you need to contact us by before we assume you have withdrawn from the programme. We will then complete the necessary forms and advise Immigration/Studylink (if applicable). This will mean you are no longer enrolled with us. A final academic record of learning will be issued.

- **First instance of being absent without notifying us:**  
After one learning week of no contact, you will be given three days to notify us or return to class without being withdrawn (5 days + 3 days' notice = 8 days). If we do not hear from you, you will be withdrawn from your programme of study.
- **Second instance of being absent without notifying us:**  
After three days of no contact, you will be given three days to notify us or return to class without being withdrawn (3 days + 3 days' notice = 6 days). If we do not hear from you, you will be withdrawn from your programme of study.
- **Third instance of being absent without notifying us:**  
After one day of no contact, you will be withdrawn the following day.

### **Withdrawal policy for non-consecutive absenteeism (including lateness)**

If you have not attended class for a total amount of time that exceeds what would be expected when you are in employment (including different days off, not necessarily in a row), we will meet with you to discuss our concerns and re-iterate the policy outlined below. If you are under the age of 18, your guardian will also be contacted unless exceptional circumstances apply. Remember that this policy is aligned with getting you 'work ready, world ready' and also ensures you are able to authentically gain your qualifications by attending class and being in the learning environment. We will have mechanisms in place to keep you up to date on your attendance and how the policy works, but the responsibility is yours. *NOTE: Lateness is defined as 'turning up to class once the Trainer has started the recap/activity/lesson'. Exceptional circumstances are at the discretion of the Campus Manager in liaison with the General Manager.*

#### ***Prior to the withdrawal procedure happening, our expectations would be:***

- a. Student Handbook signed, with the understanding of the attendance policy and consequences that may result
- b. Attendance will be discussed at weekly meetings and during Qtime (one on one) sessions
- c. Fishbowl (the student employment online portal) will report absent days so you have direct access to the information. This is something that you will be given access to as it becomes available.

#### ***Stage 1: When you have exceeded the allowed number of days in the qualification you are enrolled in: (E.g. level 3: 4 days; level 4: 6 days; level 5: 8 days.)***

- A formal meeting with your Class Trainer will take place where the consequences will be discussed e.g. eligibility for industry visits, gaining the Elite Certificate etc. If you are under the age of 18, your guardian will also be contacted unless exceptional circumstances apply. Written confirmation of this will be given to you outlining the next stage.

#### ***Stage 2: If you exceed 'allowed days' by another 5 days absent:***

- A formal meeting will be arranged with the Head of Training and Campus Manager where you will have the opportunity to bring a support person if you wish. You may be withdrawn and advised of this in writing. If you are unable to attend a meeting or we have not been able to make contact, an official letter will be sent to your current address. You will also be given a final academic record of learning outlining your completed modules.

## **Certificates**

The programmes offered include NZQA New Zealand qualification certificates and our own Elite School of Beauty and Spa programme certificates. In order to gain any of the New Zealand certificates included in the programme you are completing, you must achieve 100% of the subjects offered within the programme's curriculum as well as meet the professional guidelines set out at the beginning of this handbook.

Additional criteria may apply for individual certificate types and these are as follows:

### **Elite School of Beauty and Spa Certificates**

These certificates are awarded by Elite and have no additional criteria other than the 100% completion of curriculum and successfully meeting professional guidelines.

### **Graduation Awards**

At graduation various awards are given out to students including the **Student of the Year Award**. We are looking for students who go that extra mile, have a great attitude, who make a valuable contribution to campus life as well as a high level of academic achievement and excellent attendance.

### **Specialist Product Knowledge Certificates - Elite School of Beauty and Spa**

These additional certificates involve learning about the specific product and then an assessment in conjunction with the industry partner. To be eligible to sit the assessment for each specialist certificate, you must have attended the product knowledge day with your class. If you have been absent for medical reasons (or any other reason that management deems acceptable), you may be able to join another class if the timetable permits.

## **Change of Address or Phone Numbers**

Please let us know if you change your address, phone numbers or email address during or up to six months after the programme has finished. We may like to contact you for any employment opportunities or so any additional certificates etc. can be sent to the correct address.

It is a requirement that international students must advise the Campus Manager (Pastoral Care Manager) of any change of contact details, accommodation type, residential address and immigration status.

## **Complaints Procedures**

In all instances when you are not entirely happy, we want to help.

- In the first instance, you should talk to your Class Trainer who is directly responsible for your pastoral care. They will talk it through with you and discuss a way forward
- If you are not satisfied with this result, you can then escalate to the Head of Training, as the person in Management responsible for the academic department
- The Campus Manager is available for any concerns/complaint that the Head of Training is unable to manage
- If you are unsatisfied by campus staff in dealing with your concern/complaint, you can contact the People Development Manager in writing, outlining your concerns and the discussions held to date with the campus staff.

### **People Development Manager**

New Zealand School of Tourism  
766 River Road, Hamilton 3210  
Ph: (07) 853 0291

In all stages, the staff member managing your concerns will discuss with you (and other relevant parties) to attempt to solve it.

## **Accidents**

Please report all accidents to a staff member so they can notify the Campus Manager immediately. All campuses have a Health and Safety plan in place which is reviewed twice annually by the Campus Manager. Any accident that occurs needs to be reported to the Health and Safety Officer (Campus Manager) and logged in the accident register. An investigation will occur to identify all hazards concerned so that the issue can be minimised and or eliminated. Should you notice any potential hazards, please advise a Trainer or the Campus Manager immediately.

## **Emergency procedures**

Should an emergency arise please follow the instructions of the appointed floor warden. Emergency procedure notices are posted in the building. Please take a moment to read these and familiarise yourself with evacuation routes and assembly areas.

## **Harassment**

The company has clear policies and procedures for dealing with any form of harassment with which staff and students are expected to comply. We define harassment generally as actions or statements which interfere with or inhibit the staff member or students' ability to work or study in a positive and successful manner; and/or which fails to respect the dignity of an individual or group.   - Inform the student that the harassment must cease, and detail what behaviour is expected and/or
  - Give the student a warning, indicating that they may be expelled

## **Medical Emergency**

The Customer Services Officer in each campus holds a first aid kit and a list of other qualified staff, for use in an emergency.

If you have any medical conditions (e.g. epilepsy, diabetes) that you feel we should be aware of, please let us know. This information will be accessed only by those who need to know and could be vital in an emergency situation.

## **Internal Support Services**

### **Impaired performance or learning difficulties**

Let us know if you have any learning difficulties that may make it more challenging for you to achieve, so we can work through an individual plan to assist you. We also have a policy around dealing with instances of impaired performance so if you think this may apply to you, please let us know.

### **Tutorials**

Trainers are available for tutorials before and after class most days. You will be allocated a class Trainer who you can go to at any time to discuss any concerns relating either to the programme or issues that are affecting your attendance or performance.

In the first two weeks you will have the opportunity to complete an online assessment of your numeracy & literacy levels. We will then discuss these with you individually and assist you to plan some possible goals around increasing your numeracy and literacy levels. At the end of your programme you will have another chance to resit the online assessment and see what gains have been made.

Regularly throughout your programme, your class Trainer will meet with you to discuss your progress, give feedback and discuss goals. An updated results notice for you to check will also be given out.

### **Q-Time (one on one meetings with a dedicated trainer)**

Approximately every six weeks, each student will have the opportunity to catch up with their Class Trainer to discuss a variety of topics such as goal setting, career aspirations, academic progress etc.

These meetings allow the student and Trainer to “touch base” and arrange further opportunities for discussion if required.

### **Class meetings**

Each campus holds a class meeting once a week. This is a compulsory meeting as it is vital to your success. A Trainer is allocated to each class, to whom any issues can be addressed, as well as new ideas, memos, notices, guest speakers, industry visits etc. The Trainer will also monitor and follow up on your results.

### **Student representative meetings**

Student representatives are democratically elected by each class to meet with the Campus Manager on a monthly basis. The student representative is to be aware the highlights and challenges their class are experiencing in order to bring to the meeting any comments on a wide range of subjects including, administration, programme delivery, resources and class meetings.

The role of the student representative is vital as they will work closely with Management to ensure the class is running effectively in line with any company policies, procedures and expectations. At times, information discussed with student representatives may be used to ensure policies, procedures and expectations are being met and or enforced. Student representatives understand that any information they provide could be used by Management in a variety of capacities and that the contribution they make is highly valued.
